NOTICE OF ALTERNATIVE DISPUTE RESOLUTION SERVICES

Purpose of Notice

As a party to a lawsuit in this court, you have the right to have a judge or jury decide your case. However, most lawsuits are settled by the parties before a trial takes place. This is often true even when the parties initially believe that settlement is not possible. A settlement reduces the expense and inconvenience of litigation. It also eliminates any uncertainty about the results of a trial.

Alternative dispute resolution services and procedures are available that may help the parties settle their lawsuit faster and at less cost. Often such services are most effective in reducing costs if used early in the course of a lawsuit. Your attorney can aid you in deciding whether and when such services would be helpful in your case.

Your Rights and Obligations in Court Are Not Affected By This Notice

You may decide to use an alternative dispute resolution procedure if the other parties to your case agree to do so. In some circumstances, a judge of this court may refer your case to an alternative dispute resolution procedure described below. These procedures are not a substitute for the services of a lawyer and consultation with a lawyer is recommended. Because you are a party to a lawsuit, you have obligations and deadlines which must be followed whether you use an alternative dispute resolution procedure or not. **IF YOU HAVE BEEN SERVED WITH A PETITION, YOU MUST FILE A RESPONSE ON TIME TO AVOID THE RISK OF DEFAULT JUDGMENT, WHETHER OR NOT YOU CHOOSE TO PURSUE AN ALTERNATIVE DISPUTE RESOLUTION PROCEDURE.**

Alternative Dispute Resolution Procedures

There are several procedures designed to help parties settle lawsuits. Most of these procedures involve the services of a neutral third party, often referred to as the “neutral,” who is trained in dispute resolution and is not partial to any party. The services are provided by individuals and organizations who may charge a fee for this help. Some of the recognized alternative dispute resolutions procedures are:

(1) Advisory Arbitration: A procedure in which a neutral person or persons (typically one person or a panel of three persons) hears both sides and decides the case. The arbitrator’s decision is not binding and simply serves to guide the parties in trying to settle their lawsuit. An arbitration is typically less formal than a trial, is usually shorter, and may be conducted in a private setting at a time mutually agreeable to the parties. The parties, by agreement, may select the arbitrator(s) and determine the rules under which the arbitration will be conducted.

(2) Mediation: A process in which a neutral third party facilitates communication between the parties to promote settlement. An effective mediator may offer solutions that have not been considered by the parties or their lawyers. A mediator may not impose his or her own judgment on the issues for that of the parties.

CCADM73

(3) Early Neutral Evaluation (“ENE”): A process designed to bring the parties to the litigation and their counsel together in the early pretrial period to present case summaries before and receive a non-binding assessment from an experienced neutral evaluator. The objective is to promote early and meaningful communication concerning disputes, enabling parties to plan their cases effectively and assess realistically the relative strengths and weaknesses of their positions. While this confidential environment provides an opportunity to negotiate a resolution, immediate settlement is not the primary purpose of this process.

(4) Mini-Trial: A process in which each party and their counsel present their case before a selected representative for each party and a neutral third party, to define the issues and develop a basis for realistic settlement negotiations. The neutral third party may issue an advisory opinion regarding the merits of the case. The advisory opinion is not binding.

(5) Summary Jury Trial: A summary jury trial is a non binding, informal settlement process in which jurors hear abbreviated case presentations. A judge or neutral presides over the hearing, but there are no witnesses and the rules of evidence are relaxed. After the “trial”, the jurors retire to deliberate and then deliver an advisory verdict. The verdict then becomes the starting point for settlement negotiations among the parties.

Selecting an Alternative Dispute Resolution Procedure and a Neutral

If the parties agree to use an alternative dispute resolution procedure, they must decide what type of procedure to use and the identity of the neutral. As a public service, the St. Louis County Circuit Clerk maintains a list of persons who are available to serve as neutrals. The list contains the names of individuals who have met qualifications established by the Missouri Supreme Court and have asked to be on the list. The Circuit Clerk also has Neutral Qualifications Forms on file. These forms have been submitted by the neutrals on the list and provide information on their background and expertise. They also indicate the types of alternative dispute resolution services each neutral provides.

A copy of the list may be obtained by request in person and in writing to: Circuit Clerk, Office of Dispute Resolution Services, 105 South Central Ave., 5th Floor, Clayton, Missouri 63105. The Neutral Qualifications Forms will also be made available for inspection upon request to the Circuit Clerk.

The List and Neutral Qualification Forms are provided only as a convenience to the parties in selecting a neutral. The court cannot advise you on legal matters and can only provide you with the List and Forms. You should ask your lawyer for further information.

NOTICE OF ALTERNATIVE DISPUTE RESOLUTION SERVICES

Purpose of Notice

As a party to a lawsuit in this court, you have the right to have a judge or jury decide your case. However, most lawsuits are settled by the parties before a trial takes place. This is often true even when the parties initially believe that settlement is not possible. A settlement reduces the expense and inconvenience of litigation. It also eliminates any uncertainty about the results of a trial.

Alternative dispute resolution services and procedures are available that may help the parties settle their lawsuit faster and at less cost. Often such services are most effective in reducing costs if used early in the course of a lawsuit. Your attorney can aid you in deciding whether and when such services would be helpful in your case.

Your Rights and Obligations in Court Are Not Affected By This Notice

You may decide to use an alternative dispute resolution procedure if the other parties to your case agree to do so. In some circumstances, a judge of this court may refer your case to an alternative dispute resolution procedure described below. These procedures are not a substitute for the services of a lawyer and consultation with a lawyer is recommended. Because you are a party to a lawsuit, you have obligations and deadlines which must be followed whether you use an alternative dispute resolution procedure or not. **IF YOU HAVE BEEN SERVED WITH A PETITION, YOU MUST FILE A RESPONSE ON TIME TO AVOID THE RISK OF DEFAULT JUDGMENT, WHETHER OR NOT YOU CHOOSE TO PURSUE AN ALTERNATIVE DISPUTE RESOLUTION PROCEDURE.**
